# EVA!

**H**i Eva! As the host of our Sexiest New Babes of 2010, what would you say ladies need to be a total babe apart from great

boobs? A good bum, boobs and legs help, but they need to make men go "Wow!" on the street. That can come from anything. In my case, I suppose it's my boobs! If we had a party with all the sexy new babes you've chosen, how would you make yourself stand out?

All the ladies would dress up to look as sexy as possible, so I'd dress down in a tight pair of jeans and a skintight T-shirt.

**Crikey! Is there any babe you'd like to see more of in 2010?** Gemma Atkinson! She was hiding for most of 2009 and it'd be great to see her boobs again – she's so beautiful.

**You're Polish. Do you have more sex in the winter to keep warm?**

No, I like it any time of the year.

**This shoot is full of sexy underwear. Is that what you wear at home?**

Sometimes. It depends what mood I'm in. If I want to relax, I normally wear something comfortable, but if I'm feeling frisky, I like to put on something sexy for my man.

**What's your sexiest memory from 2009?** I did a promotion for *Need For Speed: Shift* and they had a picture of me topless beside the games, so everyone was looking at my boobs. It was sexy to see so many people admiring them!

**Did your first *Nuts* cover get you more attention from men?** The day it came out, I was sat on a train next to a *Nuts* reader looking at my picture and he didn't even realise it was me. Then a man came up to me in the street and asked if I was Eva. I pretended it wasn't, then he said, "You're better looking anyway!" It was so funny.

**What should a British bloke do to improve his chances of chatting you up?** Be sober. I hate talking to drunk men. But that doesn't mean you shouldn't come up and talk if you see me, as I love to get chatted up most of the time! ➔

Early shots from *The Incredible Hulk 2* looked promising

# MELISSA DEBLING!

**H**i Melissa! How does it feel to be one of our girls to watch in 2010? It's amazing, I love it!

This is my first ever shoot and it's been so exciting to be a part of.

**What other babes have caught your eye?** Samantha's gorgeous. She's practically perfect. She's got the most beautiful long hair, amazing boobs and a really hot body – I'm jealous! But all the girls here are gorgeous. Judging by this I'd say 2010 is going to be a great year!

**Would you want to do some of our wacky Nuts stunts?** Definitely!

**Really? Would you go around the London Eye totally naked?** Ha-ha! Well, maybe not *anything*!

**Which other babes do you admire?** I think Lucy Pinder's gorgeous. Her boobs are just amazing and I think she's just the best ever.

**How would you describe your personality?** I'm fun and love a few drinks with the girls. I always say, "I'm not going out," then by the end of the night I'm still there!

**What kind of music are you into?** I love dance music. Calvin Harris is really good, although it helps that he's quite fit as well. I don't think it's possible to be sexier than a good-looking DJ!

**Tell us a secret.** I keep turtles. I've got a little food pot for them and they come running over. I love them. I've got yellow-bellied ones and they sunbathe under a light, then go for a swim. I've also got my tongue pierced. It really killed and then my tongue swelled up!

**A tongue piercing, eh? We've heard that...** I know what you're going to say! And yes, I've had some positive feedback! Ha-ha!

**This time next year do you hope to be a regular Nuts favourite?** I'd love to. If I could be anywhere near as popular as Lucy Pinder, I'd be happy, because she's a legend. I just hope the readers like me!

**EVA SAYS:** "I love  
Melissa's blue eyes  
– she's beautiful!"

"This is Big Brother. Could Samantha please never leave the diary room?"

# SAMANTHA FAIERS!

**H**i Sam! How does it feel being one of the Sexiest New Babes of 2010? It's brilliant! I'm lucky because there are so many girls that want to do it!

**What kind of underwear do you normally wear?** I'll go for the corset and suspenders look on special occasions. But around the house, I'm nearly always in pyjamas. I've got these Superman ones which are little French knickers with a big S on them, and a little vest top.

**Which of the regular Nuts girls would you most like to do a shoot with?** I'd look good with Leah Francis. She's blonde and has long hair like me, and we have quite similar boobs. I'm quite fun and outgoing as well, so it would definitely be a blast!

**How would you describe yourself?** I'm fun, mischievous and naughty. And quite sexy as well, of course!

**What's the sexiest thing you've ever done?** I've opened the door naked, wearing nothing but a necklace! It didn't keep me warm, but it didn't have to. I was sure of who was on the other side, as well – imagine if it had been the gas man!

**Are you prepared for an army of Nuts readers to fall in love with you after this shoot?** I think so! But I'm lucky because everyone else in the shoot looks beautiful as well, so we'll be able to take them on together.

**What's your favourite part of the magazine?** I like it when you get loads of girls together. There's so much to look at on one page and you can compare everyone! I also like the closeness you get when you have two people in a shoot together. It's really, really sexy.

**Do you have a New Year's message for the Nuts readers?** I just hope they like me and want to see more of me, and put in good reviews. I'm hoping for the best! ➔

**EVA SAYS:** "Sam's the sexiest blonde I've seen this year!"

"I'VE OPENED THE DOOR WEARING NOTHING BUT A NECKLACE!"

HUGE 2010 PREVIEW!

# NATALIE BLAIR!

**H**i Natalie! How does it feel to be one of our ladies to watch in 2010? It didn't sink in until today. I'm really excited to see how it looks in the mag, though. **Has it been weird to prance around naked in a room full of strangers?** No. I don't mind being naked. I'd do it every day if I could! **What's your favourite part of your body?** I'd have to say my bum. It's very curvy. I could be really girly and say my best feature is my eyes, but it's definitely my bum. Ha-ha! **What kind of bloke do you normally go for?** I like good guys and guys who treat people nicely. I can't stand mean, arrogant or rude men, and I hate liars and cheats! **Where's the strangest place you've been rude?** Probably in a forest, which was cold and dirty. I also did it at the spinning studio at the gym. It was definitely better than my usual workout! Ha-ha! ➔

**EVA SAYS:** "Natalie has the best boobs I've seen in ages!"

# JESSICA SIMPSON!

**H**i Jessica! What are you like? I'm very honest and always say what I think. I always try to be nice, though – I think nasty people just end up looking stupid!

**How does it feel to be one of the best new *Nuts* babes of 2010?**

Peachy! That means good, by the way. I've made some really good friends and everyone is so lovely, and I've just found out Chloe lives about two minutes away from me, so we'll be going out soon. I love it!

**You're familiar to *Nuts* readers for finishing as runner-up in last year's Babe Search contest.** Yeah, I came second to Sam, but she didn't want to model any more as she wanted to get into music. Don't worry, I won't be releasing any songs soon!

**Is the shoot what you expected?** It's much better! I didn't know there'd be loads of us, but it's fun and the girls look nice. The only problem is all the other girls have got giant boobs and I don't, so I have to get my booty out all the time!

**There's nothing wrong with being the booty girl!** True. I've got my 32C's and my J-Lo butt, so I guess I'm a bit different. I'm not sure how well I'd cope with two big watermelons out in front of me.

**What's your party trick?** I'm really flexible. I don't know why, but I can get my leg up onto a bloke's shoulder while he's standing up. I did it to this guy a while back and he said he'd send the picture to *Nuts* – I hope he doesn't!

**Can you throw a few shapes on the dancefloor?** Yeah! I do a lot of belly dancing, so my stomach muscles are quite toned and I've got good control of the hips, which comes in handy for all sorts of other things!

**What's the best way to impress you?** Talk to me like a normal person. Just don't come up and tell me I'm pretty or anything – I'll assume you're only after one thing. ➔

**EVA SAYS:** "Jessica's sultry and sexy, and has naughty eyes!"

**"I CAN GET MY LEG UP ONTO A GUY'S SHOULDER!"**

She couldn't get the hang of clapping

# CHLOE SAXON!

**H**i Chloe! Is it exciting to be one of our new girls? It's amazing, it's a dream come true!

I hope to still be here next year, introducing some new girls. That's definitely my ambition.

**Which other models do you admire?**

I like all sorts of girls – Sam Cooke, Amy Green and Rhian Sugden are three of my favourites. Oh, and Peta Todd. She's crazy but smart.

**Who would you love to do a photo shoot with?** Someone the complete opposite of me, maybe a blonde?

Leah Francis is a proper blonde, and she's very tall – and I'm practically a midget! I'd have to stand on a box to have photos taken with Leah! Ha-ha!

The dentist's chair was a bit uncomfortable

We recently saw you delivering Christmas presents to the blokes of Britain with Santa and the lovely Emma Frain – did it give you a warm glow of good will? It was so much fun. The blokes were pleased, although you have to ask if they were happier with the presents or us. Definitely us, I'd say.

**How would you describe yourself in five words?** This is hard! Exotic, curvy, petite, flirty and a bit crazy!

**What's the strangest place you've had sex?** Er, do you think a bus is strange? On the top deck of a bus. I can't believe we weren't caught, but it was definitely pretty strange!

**What's the best way to impress you?**

Be cocky and confident. Not in a bad way, I just like guys who are pretty sure of themselves.

**Thanks Chloe! Anything else you'd like to add?** This has been the best shoot ever! I haven't done many, but I'm really proud of it and think it's so sexy, and I've had so much fun – I hope the readers like it! ■

**EVA SAYS:** "I love Chloe's dark, sexy, mysterious look!"

**"I'VE HAD SEX ON THE TOP DECK OF A BUS!"**

# JESSICA WI!

**H**i Jessica! How does it feel to be in *Nuts*? It's really good. I love *Nuts*. Everyone's nice and friendly and it's fun to have your hair and make-up done.

**How was it being naked with all these other gorgeous ladies?** I was a bit nervous at first because sometimes girls don't get on if there's too many of them in one place. But everyone's brilliant!

**Which of the other girls do you think looks hottest?** Melissa is gorgeous. I bet everyone's said that! She's absolutely beautiful. She's got the body of a goddess. She's got the biggest boobs, the skinniest body and the prettiest face ever. But I'm not a lesbian or anything! Ha-ha!

**Why do you stand out?** I think my red hair's a start. It's been red for about a year and a half. I'll never go back. It's nice to look different.

**Do you have any strange hobbies?** I do a lot of horse riding. I really like my art, as well. And I also like experimenting with burping words!

**How do you like a bloke to treat you in the bedroom?** I might look a bit scary but I like to be dominated and told what to do – and tied up! I think most girls feel that way. We like to be thrown around a bit.

**Have you got a party trick?** I can move my boobs like a bloke can move his pecs. I'm like a one-person Mexican wave!

**"I LIKE TO BE  
DOMINATED IN  
THE BEDROOM!"**

**EVA SAYS:** "Jess's playful look makes her really different!"
